(1 Dec., 1904.)	the last preceding rule shall be deducted from the income of the company for that year, and shall be exempt from the tax; (3) In the case of companies carrying on other business besides the business of mining, the Commissioner may require the company to submit to him accounts verified in like manner as the returns hereby prescribed, and showing separately the transactions of the company with respect to its mines and with respect to its other business, and the company shall be entitled to exemption from payment of the tax upon so much of its dividends as is shown to the satisfaction of the Commissioner to have been applied during the year in respect of which the assessment is made for the purposes specified in the first of these rules; (4) When a mining company is reconstructed and it is shown to the satisfaction of the Commissioner that after reconstruction the company is to all intents and purposes the same as before reconstruction, such reconstructed company shall be entitled to the same exemption from payment of tax as the company was entitled to before reconstruction. [*20*A.] All moneys received by any person as or by way of royalty shall be deemed to be part of the income of such person, and shall be deemed to be income derived from the produce of property. 32. (1.) When a foreign company or an absentee or person absent from Queensland, herein termed "the principal," by means of a company registered in Queensland or carrying on business therein or by means of any person in Queensland, herein termed "the agent," sells or disposes of any property for the principal, whether such property is in Queensland or is by the contract to be brought into Queensland, and whether the contract is made by the agent in Queensland or by or on behalf of the principal out of Queensland, and whether the moneys arising therefrom are paid to or received by the principal directly or otherwise, the moneys arising therefrom shall be deemed to be income accruing to the principal from a business carried on by him in Queensland, and the taxable amount of the income derived therefrom by the principal shall, if such income cannot in the opinion of the Commissioner be otherwise satisfactorily determined, be assessed at an amount equal to five pounds per centum upon the net amount for which such property has been sold or disposed of after taking into consideration any mortgage thereon. In every case the amount assessed shall for the purposes of obtaining income tax be deemed to be income derived by the agent.
2 Edw. VII., No. 10. (1 Dec., 1902.) 4 Edw. VII., No. 9. (1 Dec., 1904.) But nothing herein contained shall exempt or discharge the principal from liability to pay income tax upon such income. 33. (1.) When a foreign company or person whose principal place of business is out of Queensland, either as owner or charterer of any vessel, carries passengers, live stock, mails, or goods shipped in Queensland, such company or person shall, by itself or himself or its or his agent or other representative in Queensland, within the prescribed time, make a return of the full amount payable to it or to him, whether such amount is payable in Queensland or beyond Queensland, in respect of the carriage of such passengers, live stock, mails, and goods as required or provided by the terms under which the same are carried or agreed to be carried to the port of discharge. Such company, person, agent, or representative shall be assessed thereon, and the taxable amount of the income derived therefrom shall, if such income cannot in the opinion of the Commissioner be otherwise satisfactorily determined, be assessed at an amount equal to three pounds in every one hundred pounds so payable as aforesaid.

(2.) When such company or person has no recognised agent or representative in Queensland other than the master of such vessel, or when such company, person, agent, or representative fails to make any return, the Commissioner may assess such master, and such master shall be liable to pay income tax computed as aforesaid.

(3.) The Commissioner shall give notice of every such assessment as last aforesaid to the master, and such master shall thereupon pay income tax upon the same prior to the clearance of such vessel, and the vessel may be detained by the order of the Commissioner until such payment is made.

EXEMPTIONS.

12. The following incomes, revenues, and funds shall be exempt from income tax:—
- (i.) The income of the Governor of Queensland so far as respects the emoluments of his office as Governor;
- (ii.) The revenues of local authorities and local bodies receiving revenue of any kind for the purposes of local self-government;

* * * * * *

- (iv.) The incomes of societies and institutions not carrying on business for purposes of profit or gain;
- (v.) The funds and incomes of societies registered under any Act relating to Friendly Societies (other than Building Societies), or under any Act relating to Trade Unions;
- (vi.) The incomes and revenues of religious, charitable, and educational institutions of a public character;
- (vii.) Income derived as dividends from any company which has paid in Queensland income tax on profits of the company from which such dividends are paid;
- (viii.) Income arising or accruing from debentures, stock, or Treasury bills issued by the Government of Queensland.

These exemptions shall not extend to the salaries, wages, allowances, or pensions of persons employed by any such corporation, company, society, or institution, although the same are paid wholly or in part out of the income, revenues, or funds thereof.

11. (ii.) Moreover, if by reason of age, infirmity, loss, or other cause the Commissioner is satisfied that the payment of income tax would entail hardship on any person liable to pay the tax, he may release such person in whole or in part from liability to pay the tax for that year.

PENALTIES.

72. (1.) Any person, whether or not liable to taxation under this Act, who—
- (i.) Being within or having an agent within Queensland, fails to furnish, on or before the prescribed day, any prescribed return or within a time specified by the Commissioner, any new or further or fuller return required by the Commissioner, unless such person proves that such failure was not wilful; or
- (ii.) Knowingly makes or delivers any false return or makes any false answer, whether oral or in writing, in relation to his property or income, or any matter or thing affecting his liability to or exemption from income tax; or
- (iii.) By any falsehood, neglect, fraud, art, or contrivance whatsoever used or practised, or by or under any instrument made, signed, executed, taken, or received, evades or avoids or attempts to evade or avoid assessment of any income, whether liable to income tax or not, or the payment of any income tax—

shall be liable to a penalty not exceeding one hundred pounds, and if the act or omission complained of affects any person as a taxpayer shall also by the Court before whom the matter is brought, by way of additional penalty, be assessed and charged double the amount of the income tax of which such person has attempted to evade or avoid the payment in addition to any income tax for which such person would have been otherwise liable.

(2.) Whenever upon any complaint for an offence within the meaning of paragraph (iii.) hereof the Court before whom the same is brought holds the matter of the complaint to be proved, there shall be two convictions: the first in the usual form adjudging the defendant to pay the penalty imposed and such costs as are allowed, and the second adjudging the defendant to pay double the amount of the income tax of which he has sought to evade or avoid the payment.

The first conviction shall be forthwith enforceable, but the second conviction shall not be formally drawn up until the amount of the income tax of which the defendant has attempted to evade or avoid payment has been ascertained by the Commissioner, who shall, as soon as practicable, proceed to ascertain and fix the same.

The Commissioner shall give notice to the defendant of the amount so ascertained, and if the defendant within fourteen days from the giving of such notice gives the Commissioner notice of objection to such amount he shall be entitled to have such objection heard and determined by the Court of Review.

At any time after such amount has been ascertained by the Commissioner, or upon objection by such Court, the second conviction may be formally drawn up adjudging the defendant to pay double the amount so ascertained or determined, and shall be forthwith enforceable.

(3.) Any person who aids or assists in any manner whatsoever to commit any offence within the meaning of paragraph (iii.) hereof shall be liable to a penalty not exceeding fifty pounds.

72A. When the Commissioner has reasonable grounds for believing that any person (herein termed "the agent") does not reside in Queensland, and that the agent has while in Queensland sold or disposed of any property for any other person, and has received or is entitled to receive as remuneration or part remuneration for such sale or disposal any sum by way of commission or salary, and that the agent intends to leave Queensland without paying income tax, the Commissioner or any officer authorised by him in that behalf, may at any time require the agent to forthwith make a return of the amount of every such commission, and may forthwith assess the income tax payable by the agent thereon and demand immediate payment of the same, and if the same is not forthwith paid, or arrangements satisfactory to the Commissioner are not made for payment, may without warrant cause the agent to be arrested by any member of the police force and detained until he can be brought before justices upon a complaint for evading the payment of the tax.

76. (1.) Any person who obstructs or attempts to obstruct any officer acting in the discharge of his duty under this Act, or refuses or neglects to answer any question put by any such officer relating to any income belonging to such person, or as to any deductions claimed or allowed in respect of such income or any part thereof, or gives any false or evasive answer, or in any manner whatsoever fails to comply with any of the provisions of this Act for which no penalty is expressly provided, shall be liable to a penalty not exceeding fifty pounds.

(2.) If any company makes default in complying with any provisions of this Act, such company or the public officer thereof shall, where no other penalty is provided by this Act, be liable to a penalty not exceeding five pounds for every day during which such default continues:

And every director and manager of the company who knowingly and wilfully authorises or permits such default shall be liable to the like penalty.

NOTE.—The amount actually realised bears but a small proportion to the amount sought to be recovered; but it must be borne in mind that in many cases the defendant, on a levy being made, becomes insolvent, and any property seized passes to the Official Trustee for the benefit of the Creditors, and consequently no sale by the Sheriff takes place. Many also of these writs of *fieri facias* were for large amounts, the suitors holding mortgages over and being in possession of the property seized, and were merely lodged for the purpose of obtaining the Sheriff's title for the conveyance of the interest, the purchase money being nominal.

* From 1883 number and tonnage of vessels calling at more than one port in Queensland during same voyage only counted once.

† Prior to 1907 the exports of wool have been taken as the production of wool, scoured being expressed as greasy on the basis that one pound of the former equals two pounds of the latter, except for the years previous to 1866, when greasy and scoured wools were not separated in the Customs returns.
